

HAND-DIPPED IN THE USA

WHOLESALE CATALOG

WELCOME

Hello

Thank you for taking the time to consider our candles for your store!

Small Town Dusk is a family run, veteran owned business located in Lancaster, Pennsylvania.

Joel & Vanessa Boyer founded Small Town Dusk with one goal in mind: to provide a high-quality, unique, and giftable LED taper candle to the souvenir, gift and tourist industries.

We use traditional techniques to create this modern product. Every candle is designed, individually dipped in beeswax, and packaged by hand in the USA. This is what makes every single candle unique.

Our passion for excellence has driven us from the beginning, and continues to drive us into the future. We know that every sale counts, and we strive to offer unique designs in popular categories, including the ability to customize designs.

We look forward to working together,

*Joel & Vanessa
Boyer*

HIGHLIGHTS

ABOUT

Our LED taper candles are hand-dipped in beeswax and then decorated with a dusting of cinnamon; but what makes our candles unique is that our candles have popular image designs on the candle itself.

Image designs are limitless and can range from customized images (including photographs) to customized lettering and sayings. We are constantly experimenting with new image designs to intrigue the senses of our customers, who are always on the lookout for something new and trendy in order to maximize sales.

FEATURES

- Built-in battery operated timer that stays on for 6 hours, off for 18 hours and back on automatically the next day. 1200 hours runtime.
- Realistic appearance, realistic LED flickering flames that still give customers a comforting ambiance.
- Real cinnamon dusting for a light scent.
- Designed, hand-dipped and packaged in the USA.
- Safe alternative to traditional burning candles, making them friendly for families with kids and pets.
- Candles are 7" tall and 1" wide, fitting most standard taper holders.
- All stock designs can be name dropped for an additional \$0.10 per piece, 12 pc. minimum.
- Designs can be custom made to suit your needs.

CUSTOMIZABLE

Have a logo, image or photograph that you would like to put on our candles? We have a graphic designer in-house that can design a custom candle just for your shop.
